Federal law requires funeral establishments to quote prices over the phone and to give you a General Price List (GPL) and a Casket Price List (CPL) when you ask in person about arrangements and prices. If the funeral establishment sells outer burial containers, it must also provide you prices for those containers, either as part of the GPL or on a separate price list. If the funeral establishment has a Web site, it must post the list of funeral goods and services that are required to be included in their GPL, pursuant to federal rule, and include a statement that the GPL is available upon request via a link from the home page OR include the words "price information" or a similar statement that includes the word "price" with a link to the GPL.

When you contract for services with a funeral establishment, the law requires it to give you an itemized statement of your choices, including estimates of any costs that are unknown at the time. The statement must also include charges for outside vendor services arranged by the funeral establishment such as flowers, clergy honoraria, newspaper notices, music, etc. Make sure the statement includes only those items you have selected. If you have chosen a funeral package, the statement should describe all the goods and services that are included. Be sure you have the total dollar amount in writing before you sign the contract.

Prior to drafting any contract for goods or services, the responsible party or the decedent's survivor who is handling the funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or on behalf of the decedent.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Prices Effective May 1, 2024, subject to change without notice.
