For more information on Funeral, Cemetery, Cremation and Hydrolysis Matters Contact: Department of Consumer Affairs Cemetery and Funeral Bureau 1625 North Market Blvd, #S-208, Sacramento, CA 95834. If you need help with a cemetery or funeral issue, visit the Bureau's Web site at www.cfb.ca.gov or call the Department of Consumer Affairs' Consumer Information Center at (800) 952-5210 or the Bureau at (916) 574-7870.

Federal law requires funeral establishments to quote prices over the phone and to give you a General Price List (GPL) and a Casket Price List (CPL) when you ask in person about arrangements and prices. If the funeral establishment sells outer burial containers, it must also provide you prices for those containers, either as part of the GPL or on a separate price list. If the funeral establishment has a Web site, it must post the list of funeral goods and services that are required to be included in their GPL, pursuant to federal rule, and include a statement that the GPL is available upon request via a link from the home page OR include the words "price information" or a similar statement that includes the word "price" with a link to the GPL.

When you contract for services with a funeral establishment, the law requires it to give you an itemized statement of your choices, including estimates of any costs that are unknown at the time. The statement must also include charges for outside vendor services arranged by the funeral establishment such as flowers, clergy honoraria, newspaper notices, music, etc. Make sure the statement includes only those items you have selected. If you have chosen a funeral package, the statement should describe all the goods and services that are included. Be sure you have the total dollar amount in writing before you sign the contract.

When arrange a direct cremation, you can use an alternative container. Alternative containers encase the body and can be made of materials like fiberboard or composition materials (with or without an outside covering). The containers we provide are constructed of heavy cardboard, hardboard, or hardwood. Cremation Caskets Available.
