Save your family the grief of having to make these decisions by putting your wishes in writing.  
Our desire is to put pre-arranged funeral services at your disposal,  
prearrangements can prepare your Family in advance.

**Time-Honored Cremation with or without Burial** is often preferred over a traditional Cemetery funeral, while at the same time allowing Family and Friends to come together to mourn the loss of a loved one in a variety of ways. **This can be a 1 or 2-day service.** (2<sup>nd</sup> Day Service, additional fees will apply)

Cremation has become a popular option for many people because it can be more flexible as to where and when you hold a service. You can have a traditional funeral service before a cremation or a memorial service at any time with or without the decedent or urn present. You can keep the urn, scatter the ashes or have the urn buried in a grave or columbarium where we can hold a service. Whether you choose burial or cremation, we're here to offer you a meaningful ceremony.
