Viewing is to provide peace of mind and to give family members the opportunity to identify and verify that this is indeed their loved one. In addition, it provides an opportunity to spend some private time with their loved one and have a final goodbye.

Your loved will require Minimum Preparation to prepare the deceased's body for viewing prior to the burial or cremation. Such preparation may include washing the hair and body, setting of the features (i.e., closing the eyes and mouth). It does not include embalming, dressing or casketing. The loved one will be carefully placed on a dressing table or in the cremation container for the viewing.

The undersigned acknowledges that the purpose of this preparation is to make the appearance of the deceased more presentable for viewing. Identification Viewing is up to 1 hour.
