## From the President's Desk

### From The President's Desk

Hello 2026! HAPPY NEW YEAR LEAA!

LEAA had a very successful year in 2025 with member participation record sales.

We expect the new year to bring new and exciting activities. Please keep up to date with classes and workshops as well as the ongoing group meetings. There is a paper at the LEAA counter listing the ongoing things.

WOW!!! We closed out the year with the Very Merry Marion Market bringing in over \$4000 in sales. If you want to participate in the December 2026 Very Merry Marion Market, begin preparing now and throughout the year. There is no booth fee cost to set up. Only the usual member sales percentage applies.

Be advised that this spring we are due to replace the old front windows. There is a plan in place to recycle the old glass so it can be reused as glass shelves. We are not sure about the date but we are told that it will sometime after the weather moderates. We apologize if this causes any inconvenience.

For those who haven't noticed, we installed a doorbell at the rear entrance. The doorbell became so popular and useful with out members that we are installing one for the front door. Ring the doorbell if you have your hands full and need help opening the front door and someone will come to the door and help.

We are always looking for members who love to teach and share their skills. Let us know if you would like to give teaching a try.

Call with any problems or concerns.

Jane Morgan,  
President LEAA

### **LEWS Little Egypt Writers Society**

2025 has ended, and 2026 begun. May this year be much better than the last. I know it will for LEWS. Although I will continue to produce our annual anthologies, my role as LEWS editor and facilitator also came to an end. But I am not leaving LEWS. Jonty Kasku-Jackson will be wearing the mantle. She is an experienced author and editor. Working via email, [kasku@kaskuart.com](mailto:kasku@kaskuart.com), she can help LEWS' members polish their pieces before they bring them to a Tuesday LEWS meeting to be read aloud and discussed. Every writer, novice or accomplished, has their own style, which we respect. Bill Hamer, retiring amateur editor and acting facilitator, who will have more time to work on the many writings that I had started and set aside.

### **The Cricut Group / Paper Crafts and Cards Group**

The **Cricut** group had a guest instructor, Stacy, who lead the Cricut Group in October with a layered scarecrow and turkey table decoration. November started our Christmas cards and decorations. Karen and JoAnne lead the group with snowflake lanterns and a card. In December we made nativity luminaries and gingerbread shakers lead by Stephanie. Stephanie made ornaments and Ryan made potholders to sell at Merry Marion Market. Jane made cute marshmallow snowmen. Next month we will be learning about layering vinyl.

**Paper Crafts and Cards Group** We are glad to welcome 2 new people to our group! In October we made stenciled trick or treat cards. Stacy lead make it take its for A Witches Night Out. November was watercolor Christmas cards. Some of our group made a trip to Branson which included Scrapbooks Forever. We made shaker ornament cards designed and lead by Stephanie for December meeting.

Thanks, and HAPPY NEW YEAR, Cathy Dudley will try to work with a "group of friends, or coworkers, or family, that may want to schedule a class for your group. *The fiber Group Remembers Mary*

## Member Memorial

Mary Slider, Fiber Artist, passed away at 6:15 pm Saturday night, December 27 at her home with hospice. A Memorial service is planned to be held in approximately 3 weeks at the Carterville First United Methodist Church in Carterville, IL 62918

The late Mary Slider left a legacy fiber exhibit completed by over 10 artists at LEAA Fiber First Tuesdays at the Cedarhurst Art Museum in Mt Vernon Jan & Feb 2026 . Patty Morrison's Weather in Motion brochures will also be featured and Rusty Freeman asked Marie to write a tribute poem for Mary which will be a part of the show.

### Missing Mary and Marie

By Marie Samuel

Leaders of Fiber First Tuesday  
Partners in fiber fun projects  
Covering so many media varied  
In many ways and nifty crafts  
Assuming we would be missed  
But hope others could step up  
And try more and more fun stuff  
Making sure all can more forth  
So meanwhile we carry on gladly  
Agreeing mostly in our escapades  
One may lead and the other follow  
In an exploring materials adventure.
