

July 2, 2022

17 people were in attendance. The meeting was held at Gilligan's in Yarnell. There were 2 new chapter members, Al Bryan and Rachelle Kleimon. We also had a number of guests brought by George and the Emmichs.

VP Gio ran the meeting. She explained about membership and what we are all about. News - the Secretary position is still open.

Scott McNeal shared a product for keeping cool during the summer rides. Scott Nitschke shared about the website, what's there, and how to use it.

George noted that there is \$4713.17 in the account and that we could make a nice donation to the Ronald McDonald House as a result.

Mark and Lani Emmich shared that the Chandler chapter has an event on 7/16. It's a fundraiser and cornhole tournament. A number of our members will be attending.

Therese talked about the camping trip in August. We'll get a headcount and start contacting the members to see who is interested. It will be the camping option, and a day ride for those who just want to come up on Saturday.

No raffle or info from Quinn/dealership.
