SUBJECT Minority Business Enterprise (MBE) Program
Certification Number: MBE-221395
Effective Dates: 04/16/2019 through 04/16/2021

Dear Albert Smith:

As you are aware, a company desiring to participate in the State of Ohio's Minority Business Enterprise program must demonstrate to this Office that the company is owned and controlled by a minority individual for at least the previous one year.

After careful review of the application and supporting documentation you provided to this office, the Equal Opportunity Division of the Ohio Department of Administrative Services (DAS) has determined that the company satisfactorily meets the requirements set forth in Section 123:2-15-01 of the Ohio Administrative Code as is required for participation in the program. This letter shall serve as the State's official certification to this effect.

This letter also acknowledges that Lianna Development Corporation is approved for MBE program participation under the Professional Services procurement category, and has demonstrated capability and/or experience for a period of one year from the date of this letter in the following UNSPSC and CSI codes:

UNSPSC CODE	CSI CODE
1. 86000000 Education and Training Services	N/A
2. 86101600 Scientific vocational training services	N/A
3. 86101700 Non scientific vocational training services	N/A
4. 86101800 In service training and manpower development	N/A

Please note that one month prior to the expiration date of this certification, your company is required to submit a completed Recertification Affidavit form for our review relative to the company's qualifications for continuing participation in the MBE program. Additionally, you must formally notify this division of any changes that occur within your company that effect ownership, managerial and/or operational control within thirty days of such changes occurring. Similar notification must be provided to us of any changes to the company's name, business address, telephone numbers, principal products/service or other basic contact and commercial activity information.

Failure to provide a completed Recertification Affidavit or to notify this office of such changes to your company in a timely manner may result in the revocation of your certification status.

So that Lianna Development Corporation is able to maximize the opportunity to provide its various MBE-approved business services to the State of Ohio, we strongly suggest that you contact the following agencies:
