“What do you think?  
If a man has a hundred sheep,  
and one goes astray, does he not leave the ninety-nine and  
go to the mountains to seek the one that is straying?”

~Matthew 18:12 | Luke 15:4-7~

Dear friends,

What do you think? If you or a loved one were lost or drifting away, would you hope to be found? Would you hope that someone would notice and search for you or your loved one with the intent to bring you back? Personally, I am thankful for the body of Christ. God knew we would need one another, and so He gave us a community that is founded on the love of the Savior, Jesus Christ - *the One who seeks and saves.*

At the Women's Refuge, we encounter women on a daily basis who are crying out to be found. God has blessed us with a safe refuge where women can come to truly know the great love of God displayed through His Son, Jesus. Here, the women are disciplined in the Word of God and they come to know their identity in Christ. This is where they are found! This is where they are made whole! This is where they find mercy and love, forgiveness, restoration, and accountability, in Christ and among God's people.

God has blessed our home with three beautiful souls. One of our ladies gave her heart and life to Jesus and was baptized October 27th, and another lady recently recommitted her life to Christ. The angels in Heaven are rejoicing! (Luke 15:4-7) The women are coming to know who they are in Christ and learning what it means to truly live.
