

DISTRICT 19 INTERLEAGUE GROUND RULES
MACHINE PITCH – BASEBALL AND SOFTBALL
2025 SPRING SEASON

1. All games will be governed and sanctioned by 2025 Little League Baseball and Softball Rules.
2. These Interleague Ground Rules apply for the 2025 Spring Season only.
3. These ground rules apply to all leagues and teams participating in Interleague play during the 2025 Spring Season.
4. Team Roster: A team may start and finish the game with a minimum of 8 players.
 - a. The 9th batting position will be skipped without penalty.
5. Teams are recommended to place 10 defensive players on the field (a fourth outfielder).
6. Pitching Machine: the pitching machine will be placed at least 40 feet from home plate.
7. Time Limit: Game time limit is a maximum of 1 hour 15 mins.
8. Regulation Games: Games ending due to time limits are regulation games.
9. Tie Games: Games may end in a tie.
10. Managers/Coaches: teams will be allowed one manager and not more than three rostered coaches on the field during the game.
 - a. One coach will be designated as the “pitching” coach.
 - b. The pitching coach cannot provide any instructions to the batter during the batter’s time at bat.
11. Defensive Coaches: the defense will be allowed to place one rostered coach in the infield and one rostered coach in the outfield provided there is one rostered coach in the dugout.
12. Number of pitches: A batter may receive up to 5 pitches.
 - a. If the 5th pitch is foul, the batter will continue batting until the batter is retired (put out) or reaches first base safely.
 - b. Exception: If on or after the 6th pitch, the batter does not swing or swings and misses the pitch, this will be considered the third strike and the batter is out.
13. A batted ball that makes contact with the pitching machine is an immediate dead ball. The batter-runner will be entitled to first base without liability of being put out. Base runners will advance one base if forced.
14. Overthrows: Base runner(s) and the batter-runner may advance, at their own risk, two bases beyond the last base legally acquired on an overthrow. Base runners and the batter-runner cannot advance on an overthrow back to the pitcher.
15. Run Rules: The fifteen (15) run rule, ten (10) run rule, and eight (8) run rule are in effect. See Rule 4.10 (e).
16. Half Inning Run Limits: There is a maximum 5 runs limit per offensive team at bat.
17. Batting Order: Teams will bat a continuous lineup.
18. Special Pitch Runner: SPR cannot be used since teams are batting continuous lineup.
19. Courtesy Runner: If the catcher of record is on base with two outs or after the second out is made, the offensive team can use the last recorded offensive player retired (the player who made the last offensive out) to replace the pitcher/catcher on base.
