

# TWO LICK LAKE QUARTERLY NEWSLETTER

**Quarter:** 2021 1st Quarter

**Safety Tip / Boating Regulation:** Bilge Blowers are specifically designed to clear gasoline fumes from closed compartments. They are ignition protected to prevent sparks, and are built to corrosion. The size blower you need is determined by the volume of your compartment. It is recommended that you use a blower for at least **4 minutes** before each start of the engine, and especially after fueling.

## **News from the Lake:**

- As it does each year, the boating season on the lake closed on December 31<sup>st</sup> and will reopen on March 1<sup>st</sup>.
- The Annual Membership Renewal Packages were emailed/mailed to all members in December. If you have not completed your paperwork, arranged for the applicable Insurance Forms, and paid your dues, please do so ASAP. **This year, you will need to drop off or mail this information to Gandolfi's as there is a very strong possibility that, due to the Covid-19 Pandemic, we will not be able to host the Annual Membership Meeting at Rustic Lodge this year.**

## **Upcoming Events:**

- The Annual Membership Meeting is normally scheduled for the first Wednesday in February. However, as indicated above, there is a very strong possibility that, due to the Covid-19 Pandemic, we will not be able to host the Meeting at Rustic Lodge this year.
- Similarly, and for the same reason, we may not be able to host the Annual Not-a-Regatta membership party that is normally scheduled for the March time frame.
