## **New Business:**

- JJ reported that:
  - the current membership roster stands at 197 Members
  - that Lias Crane will be moving the docks and swim platforms to the lake mid-April
  - that HCR will have the Water Surface Elevation at 1180' at that time
  - that Matt Kovalik will be returning as our Security/Dock Master for the 2026 season

- DL indicated that Homer City Redevelopment is hoping to have the final copy of the lease agreement with the TLLRA available for signatures this week or next. HCR has indicated verbally that our lease payment will be reduced and that it will be a (5) year lease period. DL also indicated that the "Land Swap" with the PA Game Commission and HCR has been approved. This agreement means that the upper stoned parking lot and the location of the current vehicle gate now fall within the Lease Agreement the TLLRA has with HCR and as such, becomes available for our exclusive use.
- With the news about the new lease payment, DF made a motion to move the annual TLLRA March Budget preparation portion of this meeting to the April meeting so that the Board will have time to evaluate the financial impact and adjust the Budget accordingly. Possible considerations include: long overdue Capital Improvements, the re-establishment of an emergency savings fund, bringing back the ice cream & food trucks, and lowering future membership dues payments. His Motion was seconded by MS. Approved.
- After receiving positive feedback from all of the current Board officers, DF made a motion to retain the same officers for another term. His Motion was seconded by BO. Approved.
- MS indicated that Kate & Friends is available to continue their housekeeping efforts for the 2026 season.
- JJ will contact Hugill's Sanitation and schedule the roll off dumpster to arrive by mid-May.

- MS will order ( ?? ) NO WAKE buoys and ( ?? ) HAZARD Buoys.
- BC will work with JJ to make the necessary improvements to the rainwater drainage areas.
