

After Care Instructions

Dark Pearl Tattoo

1. Remove plastic wrap after 1 to 2 hours
2. Clean with warm water and unscented anti-bacterial soap (orange liquid dial)
3. Let dry for 15 minutes then apply a light layer of Aquaphor or A and D 2 to 3 times for 3 days
4. Then switch to unscented lotion (we suggest Aveeno)
5. Do NOT scratch or pick while healing
6. No sun, hot tubs, pools, water activities, baths for 2-3 weeks...warms showers are ok
7. No sun block while healing
8. Listen to your Artist not your friends!!
