

Park Meeting Minutes May 19, 2025

Meeting called to order at 6:08 p.m.

Present: Jim Busha, Lori Busha, Heidi Murdoch, Lee Freedman, Cindy Wilson

Old Business:

- Approval of 4/28/25 meeting minutes. Motion to approve by Cindy, second by Lori, unanimous.
- Discussion in reference to the house across from the Cozy Inn. Probably nothing salvageable but need to check this. Jim stated that damage to the foundation makes it probable that it will be torn down. Jim and Lori will check with the Board on the understanding that they would pay for dump fees. Demolition would provide access to utilities access for park projects (restrooms, electrical, etc.).
- Smart house cost reduction – Heidi to review cost of moving home to adjust price. Need to obtain interior pics to inspire bidding. Jim and Lori to attend the Township Board meeting to propose ideas to motivate the sale of the house.
- Cindy will check online for corn hole project dimensions. She may have a person who could build them for us at no cost.
- Heidi provided copies of the Parks and Recreation Plan to date.
 - review “Alice” system data pp. 6-7
 - need donations data (labor, products, etc.) pp. 14-15
 - review pp. 17-18, 19 (need pics), 27, 31 (in process)
 - pp. 29-30 combine / consolidate to form park questionnaire for public comment. Include in tax bill mailing?
 - p. 32 (action program, only top 2)
 - p. 33 Most can not be completed at this point but need to gather appropriate maps.
- Budget balance still reflects \$10,000 with Cloverland charge still outstanding.

New Business:

- Cindy shared an e-mail she sent to MCM Marine in reference to the sale of the steel including acceptable methods for bidding should they desire so.
