

Approved Minutes

Superior Township Planning Committee

Brimley, MI 49715

February 11th, 2025

Meeting called to Order by Cindy Vansloten (in the absence of Chairperson, Dianne Compo, at 6:47 p.m.

Members present: Mark Olsway, Cindy Vansloten, Deb Freedman

Absent: Dianne Compo and Mike Smith

Lori Busha is present as Zoning Administrator and Mike Fox as Township Supervisor

Motion to approve agenda: Deb Freedman

Seconded by Cindy Vansloten

Motion Approved Unanimously

Public Comment: None

Old Business: Discussed flood plains. Lori Busha doesn't think that we have all the mapping so she is checking on this.

New Business: Michigan Public Act 233 Battery Energy Storage Systems and Solar Energy Systems. Discussion was held on looking at sample ordinances and taking information from them that would fit our own community. It was also mentioned that a battery Storage System would need to be by a substation. There is a substation at the corner of M 28 and Irish Line Road.

We discusse

d needing to have additional planning meetings to put our planning/ordinances in place in a timely manner. Cindy Vansloten will present dates for these extra meetings to the Superior Township Board for their approval.

We will look over the sample ordinances and discuss them at our next planning meeting which will be March 11th if approved by the Township Board. We need to be mindful while looking through the sample ordinances that we look at what would work well in our own community.

Motion to Adjourn made by Deb Freedman

Seconded by Mark Olsway

Motion approved unanimously

Meeting adjourned at 7:45 p.m.

Next planning meeting will be March 12, 2025
