

Park Meeting Minutes January 12, 2026

The meeting started at 5:10pm.

Attending: Jim Busha, Lori Busha, Cindy Wilson

Absent: Lee Freedman, Heidi Murdoch

Old Business:

1. Lori received the complete binder for the previous planning committee's data and grant info for Memorial Park. Post certification of previous grant has been completed. Material to be used as reference for the future.
2. Questions pertaining to the maps received were answered and incorporated into the Rec. Plan where necessary. Minor adjustments previously suggested have been dealt with. The Rec. Plan is ready for Board presentation on Jan. 27 and resolution development for adoption of the plan. Completed Rec. Plan needs to be finalized by Feb. 2026 to be eligible for 2026 grant applications.
3. All meeting minutes signed and submitted to Amy through Nov. 2025.
4. The gift-wrapping fundraiser was not as successful as hoped. Tough weather and short time frame for advertising impacted success greatly. Proceeds of \$112 were deposited with the Township. We plan to use this fundraiser in the future.

All remaining paper and supplies are in the basement for next year's event.

New Business:

1. Chris (Township) and Lori developed a newsletter requesting at least 2 additional people to help with the Rec. Committee, preferably with grant writing experience.
2. Per Amy (Township Treasurer), the committee has approximately \$6,000 remaining unspent from the

previous fiscal year. This amount should roll forward to the current fiscal year.

Next meeting set for February 9, 2026, at 5pm.

Motion to adjourn at 5:40 pm by Lori, Jim 2nd, unanimous approval.
