Application for Appointment to the Citizen's Boards and Commissions

The *Superior Township Board* encourages participation by its citizenry in the activities of the Township government. In many instances, the most constructive and rewarding service can be achieved through active participation as a member of a committee advisory to the elected members of the *Superior Township Board*.

All interested citizens are asked to complete the following questionnaire so that the *Superior Township Board* may be aware of the committee or appointed board which you desire to serve and may be made aware of any educational or additional background experience directly related to a specific citizen's committee or appointed board.

Thank you for your interest and concern in the Township government. This expression of interest will be maintained in our files for one year, or until a selection is made for a particular citizen's committee or appointed board.
