

The Emerald Forest

Approved Vendors

Why We Require Approved Vendors

The Emerald Forest strongly encourages you to hire the services of a wedding planner, caterer, or both! Our trusted vendors have been carefully selected for the quality of their services and their working knowledge of the unique features of The Emerald Forest. We are confident that these vendors will provide a wonderful experience for our guests.

Opting Out of Approved Vendors

If you choose to opt out of hiring a planner or a caterer, that is fine too! In that case, you and your guests are responsible for all aspects of your event including decorating, setting up and tearing down tables and chairs, carrying in all food, supplies & décor on the 0.4-mile forest trail, and overseeing all aspects of the event prep, ceremony and reception.

If you want to hire a planner or caterer that is not on our pre-approved list, our Event Manager must be included in your discussions with that vendor prior to commitment with them. To ensure a smooth event for you, we need to work with all vendors to make sure they are aware of the unique aspects of events in The Emerald Forest.
