

Product Line Card

JHF Represents Industry Leading Manufacturers

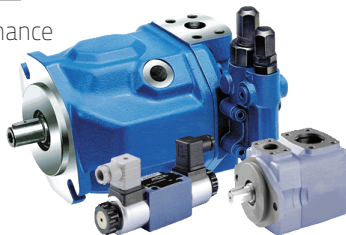

John Henry Foster is the largest distributor of hydraulic and pneumatic equipment in the Midwest, featuring the brands you know and trust — and stocking over \$8 million worth of inventory to expeditiously provide our customers with what they need when they need it!

We work closely with our vendors to continually deliver the best solutions at the best prices from the most respected names in the fluid power industry.

Hydraulic

John Henry Foster can provide all your hydraulic system needs — from sales to service, maintenance and repairs — to cylinders, pumps, valves, filters, fittings and hose. We design and build custom power units to meet your requirements.

Pneumatic

John Henry Foster can provide all your pneumatic system needs: cylinders, valves and filters to fittings and tubing.

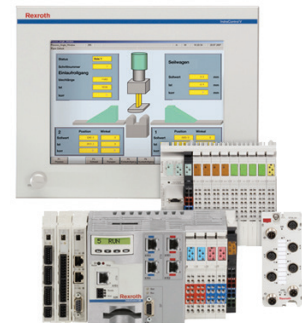

Air Compressor Products and Services

JHF has been in the compressed air business for over 40 years. As an authorized distributor of Ingersoll Rand JHF is your one stop shop for Ingersoll Rand air compressors, air dryers and the complete line of IR tools and accessories.

Electronic Controls

We design, build and startup a fully functional, turn-key control system for your automation requirements — PLCs, drives and controls to sensors and interfaces — including complete motion control systems.

Value Added Services

John Henry Foster is proud to provide customized products. Our capabilities include both design and final assembly. We can produce one unit or one hundred and in most instances, there is no minimum order.

Vendor Managed Inventory (VMI)

Our trained VMI technicians deliver in our entire sales territory so you'll have what you need when you need it. JHF's VMI service is eager to help you achieve success.
