

ASFA® and No Junk Food Zone Announce Strategic Partnership

The [American Sports and Fitness Association®](#) is pleased to announce our new partnership with No Junk Food Zone of Washington, D.C.

As a leading [fitness certification](#) and [personal trainer certification](#) provider, ASFA® recognizes and appreciates the need in the health, wellness, and fitness industry for No Junk Food Zone and their commitment to promoting preventative health education and overall wellness of the people they serve through Family Care Training, Personal Fitness Training, Nutritional Counseling, Massage Therapy and Community Workshops.

Additionally, we are excited to proudly display the No Junk Food Zone's logo on ASFA's Partner Page with other leaders in the industry such as [MyCPR NOW™](#) - the leading [online CPR and First Aid Certification](#) provider, Human Kinetics - the leading fitness texts and manual provider, HPSO - the largest healthcare insurance provider in the nation and many others.
