TEXAS BBQ BASH MISSION

TEXAS BBQ BASH MISSION

Bring Oil and Gas Service providers and Energy Companies together in Team Building, Networking and Charitable Exercise.

IMPACT OF TEXAS BBQ BASH CHARITABLE EVENTS

The West Texas BBQ Bash is a 501(c)(3) nonprofit organization that was founded in July 2020. It was founded during the covid pandemic as a way for the Oil and Gas Industry to provide much needed uplift to the families within its communities. As the fear of the Covid Pandemic set in and the industry clamped up on spending, it was discovered that some of the elder community members in the town of Pyote, Tx were starving and living without family, without transportation, and with only one meal a day that was being provided by a local citizen. It was decided that a few of us would have a fun BBQ competition to raise funds that would help feed those most vulnerable in the communities of WTX. In the year 2020 over \$50k in free entertainment was provided to the community, plus \$6,680.00 in monetary donation was raised and donated to the local Toys for Tots program of Ward County Texas. The team worked with local, county, and state officials to come up with a safe way to bring the community together considering the Pandemic. The 2020 West Texas BBQ Bash did not result in a single reported case of Covid. In July of 2021, the South Texas BBQ Bash was first imagined, and our goal was to feed ten thousand rumbling bellies in the year 2022... all free of charge. Now here we are in our 3rd year of existence and hosting our 7th free to attend BBQ Bash, The 4th Annual West Texas BBQ Bash! On October 14th we expect close to 10,000 in attendance and 40 oil and gas industry cook teams. The teams will be competing in Brisket, Chicken, Pork Ribs and The *People's Choice* Category for Cash prizes, Trophy's, belt buckles but most importantly bragging rights!! Only the Grand Champion can say that their company is truly the Best in the West!

CBA RULES PART 1

HEAD COOKS

The head cook of the team registered for the event must be at least 18 years old and must be present at the event. If an emergency arises that requires the head cook to leave the event, the CBA Event Representative must be notified immediately. The remaining team members may complete the competition and the head cooks registered team will receive the points. If the head cook is not in attendance at the event, the team members may not cook under the head cook's Team name. Points will be awarded to the member in attendance who is determined to be the head cook if a member of CBA.

ENTRIES PER PIT

CBA recognizes only one (1) entry per head cook on a given pit. It will be the responsibility of the CBA Event Representative to monitor entries. Multiple entries in the same category by the same cook or from the same piece of meat shall not be allowed. If the head cook is found to be in violation, they will be subject to immediate disqualification from the event. A head cook may not enter more than one team per contest or multiple contests at different locations on the same date using the same team name.

BBQ PITs

Any commercial or homemade, trailered, or un-trailered, pit or smoker normally used for competitive barbeque. A BBQ Pit may include gas or electricity for starting the combustion of wood or wood products but NOT to complete cooking. Pellet smokers are permitted.

Electrical accessories such as spits, augers or force drafts are permitted.

The use of heat lamps, proofing cabinets or any other electrical heating or holding device is prohibited.

The process of Sous Vide, boiling, or frying of competition meat is not allowed.

OPEN FIRES

CBA further recognizes that open fire, ground pits, are used in some areas. It is in the interest of safety; a barrier shall be placed around said open fire pit. A fire extinguisher shall be readily available.

CBA RULES PART 2

COOKED ON SITE

Each team will consist of a head cook and as many assistant cooks as the chief cook deems necessary. Each team will provide a pit and/or pits to be used exclusively by that team within the team's assigned cooking site. The preparation and completion (excluding pre-trimming) of any and all meats in competition is within the confines of the cook-off site and during the time limits designated by the promoter. Once a team and their CBA meats have arrived at a CBA event, the meats are not allowed to be removed from the competition grounds. Pre-trimming of competition meat is allowed and may be removed from the store packaging to do so unless there is a health department rule requiring that all meat must be in store packaging when meat is inspected. If this is an issue, it must be made clear on the cook-off flyer so that all cooks attending an event know about this ahead of time. Random meat inspections can be conducted by a CBA Event Representative, CBA Director of Event Representative, and/or any active Board of Director. If any irregularity is found, the cooking team can be disqualified, and no refunds will be available.

SANITATION/ CLEAN-UP

All teams are expected to maintain their cook sites in an orderly and clean manner and to use good sanitary practices during the preparation, cooking, and judging process. The use of sanitary gloves is required at all times while handling food. Failure to use sanitary gloves may result in disqualification. Teams are responsible for cleaning their site once the competition has ended. All federal, state and local food safety rules and regulations must be adhered to at all times. There will be no refunds or reimbursements for any team found in violation. All fires must be safely extinguished, and all equipment must be removed from the site. If any team's assigned site is left dirty/disarray with leftover trash and/or fires, it may put the team on a list that will prohibit the teams from competing in future events.

CBA RULES PART 3

CBA Scoring System

CBA SCORING QR CODES

CBA requires that a QR code will be affixed to the top of a tray. CBA will provide each head cook with a QR code that is assigned to his/her team and will need to be provided at every turn in. This code will be scanned by a CBA event representative at turn in time. Each team is responsible for taking care of their trays. Damaged trays may be returned to the event representative for replacement only if the original QR code is attached.

JUDGING

Entries will be judged by six (6) judges (judges must be at least 16 years old). All entries will be judged on PRESENTATION, TASTE, and TEXTURE. The scoring system values will range from Excellent being the best score to Poor being the worst score.

2. TASTE: 46.5% (1.86)
3. TEXTURE 35.5% (1.42)

Single Round Judging - CBA Event Representative will allocate a recommended amount of 10 entries to a table with six (6) judges. The lowest score out of the 6 judges will be dropped. The remaining 5 scores will be used to determine category placement. Once all CBA categories are scored we will add those scores together to determine overall placement.

JUDGING TRAYS

CBA recommends the use of a Styrofoam tray with hinged lid and without dividers or the best readily available judging container, which is approximately 9 inches square on the bottom half. A single sheet of aluminum foil should be supplied for each tray (i.e., Reynolds 710 foil sheets 9"x10"). All judging containers shall be clean and free of any markings.
