ABOUT US

PMS is a leading provider of comprehensive maintenance solutions for commercial kitchen equipment in Kuwait, committed to ensuring operational efficiency and excellence within the culinary industry. With several years of hands-on experience, we specialize in the maintenance and repair of a wide range of industrial kitchen appliances, helping kitchens of all sizes to operate smoothly, safely, and reliably.

Our expertise spans across the hospitality and food service sectors, where we understand the critical role well-functioning equipment plays in day-to-day operations. From preventative maintenance to rapid-response repairs, our services are designed to minimize downtime, reduce operational risk, and extend the life of your equipment.

Today, PMS proudly leads the way with a full suite of integrated maintenance services tailored to meet the unique challenges of modern commercial kitchens. Our team is driven by a commitment to responsiveness, professionalism, and a customer-first approach. We don't just fix equipment—we build lasting partnerships grounded in trust, reliability, and service excellence.

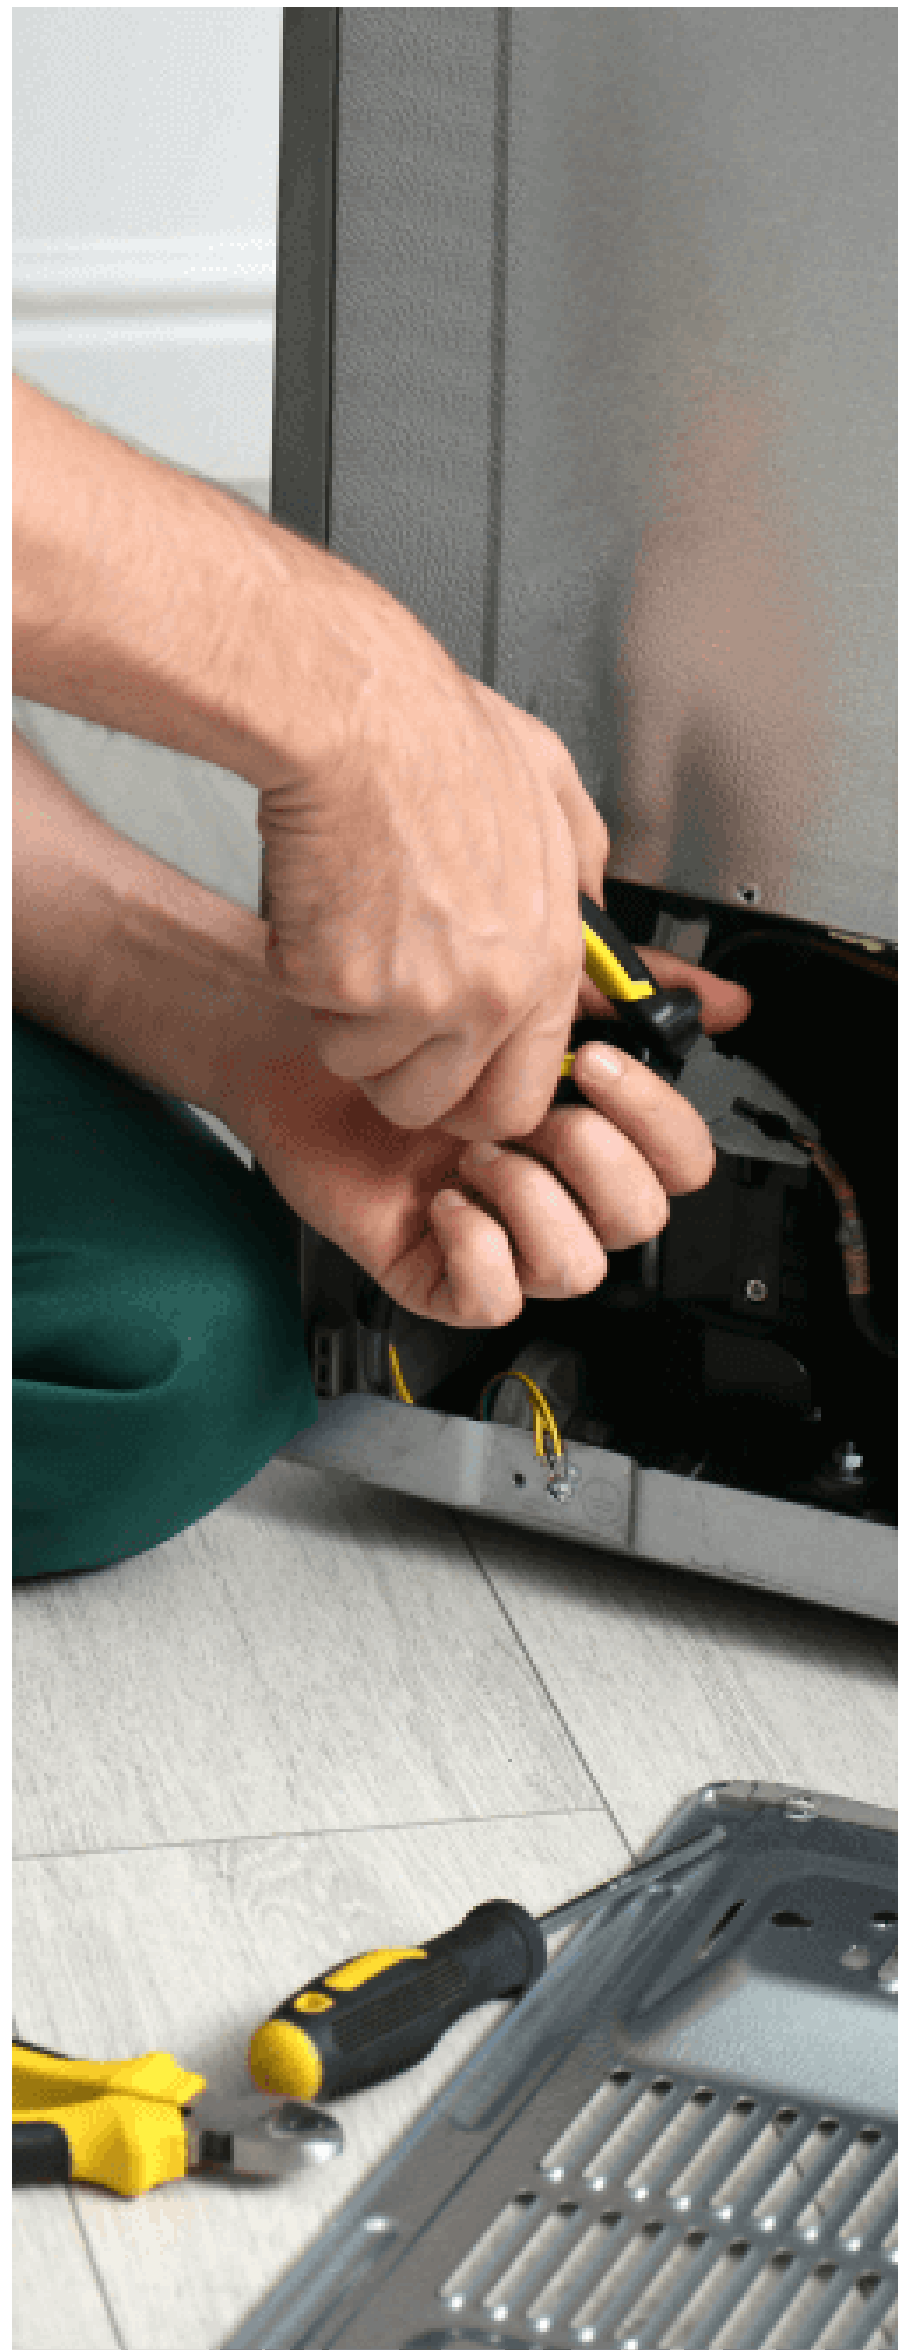

At PMS, we are redefining maintenance standards—ensuring your kitchen stays running at its best with minimal disruption and maximum performance.

VISION

To be the industry benchmark for industrial kitchen equipment maintenance, recognized for our consistent excellence, operational reliability, and commitment to innovative service solutions.

MISSION

Our mission is to be the trusted partner of commercial kitchen operators by providing reliable, high-quality maintenance and repair services. We prioritize responsiveness, professionalism, and customer satisfaction to keep every kitchen operating at its best.

OUR SERVICES

Preventive Maintenance

Regular inspections and service to prevent equipment breakdowns and extend the lifespan of your kitchen assets.

On-Demand Maintenance

Rapid response to urgent repair needs, minimizing downtime and ensuring your operations continue without disruption.

Equipment Installation

Professional installation of commercial kitchen equipment to ensure seamless setup and long-term operational efficiency.

Equipment Spare Parts

High-quality spare parts for commercial kitchen equipment, ensuring fast replacements and sustained performance.

Exhaust Treatment Solutions

Advanced exhaust treatment solutions for professional kitchens, ensuring cleaner air, compliance, and a safer working environment.

Consultation

Expert consultation services to help optimize your kitchen operations, equipment layout, and maintenance strategies.
