

Hello All,

This memo is to touch base with the NALRETO members and anyone else planning to attend the 3<sup>rd</sup> annual NALRETO show. With COVID-19 looming and some not sure if it is safe to travel, we have come up with a plan that should be favorable to all.

We would like all who are planning to attend the show to fill out the registration form and send it in but DO NOT send the registration fee. If the show is a go, those attending would pay upon arrival. We DO need to know how many are planning on coming so please send the form back as soon as possible. We should be able to decide if the show is a go by 1 May 2021. We will send out the decision “go or no-go” as soon as known.

Pennsylvania has travel restrictions that change as conditions change. Below are the current restrictions. Plus you can go to the hotel web site for local requirements.

By Order issued November 17, 2020, the Wolf administration is requiring that travelers entering Pennsylvania from other countries and states, as well as Pennsylvanians who are returning home from other countries or states, **have a negative COVID-19 test within 72 hours prior to entering the Commonwealth** or quarantine for 10 days upon entry into Pennsylvania. If a traveler chooses to get tested upon entering the Commonwealth, or is waiting for test results, the traveler must quarantine for 10 days, or until receipt of a negative test result, whichever comes first.
