

The 1978 Li'l Red Express came out when I was a senior in high school. I thought it was the coolest vehicle I have even seen. The window sticker was around \$7500.00 and that's small fortune when you have a part time job making \$3.00 per hour. I bought my first one in 1981 for \$5500.00 with 55,000 miles, a 1978. I still have the truck and it's being restored now. I guess I've had an obsession with the Li'l Reds, I've bought 16 thru the years. My favorite is a 1979 with 451 actual miles. I bought it on Sept 19, 2020. It had 449.6 miles on it then. Drove 2000 miles round trip to get this one. I have another 1979 with 35,000 actual miles and a 1978 with 44,000 actual miles. I have sold 3, which I regret.
