NOVEMBER 2026 SHARING TREE
LOMPOC FOOD PANTRY

Traditionally the Food Pantry is our December Sharing Tree, but this year we have moved it to November so the funds you donate are available in December. The Lompoc Food Pantry is located at 325 North Second Street; they are open Monday-Friday from 10 a.m.-11:45 a.m. & 12:30-2:00p.m. The Lompoc Food Pantry can be contacted at (805)736-6226 and Community Services at (805)737-4140.

Our local Food Pantry serves over 12,000 individuals in the Lompoc and Santa Ynez Valley and follows federal guidelines. Besides helping to provide food for those clients most in need, the Food Pantry can also provide rental assistance, referrals, and help with utility bills. Requests for assistance over the past year include not only food, but rental assistance, utility bills, diapers, and baby food. Our local Food Pantry faces challenges all the time and find a way to meet those challenges. The holidays are a time when they need additional help to meet the demands especially now because of funding issues and the increase in almost everything from food to gasoline.

While the Food Pantry does get help from public sources, it also relies heavily on the donations that are made by corporations, churches, and individuals. Without this additional support they would not be able to help as many families as they do.

Every dollar donated to the Lompoc Food Pantry allows the purchase and distribution of seven pounds of food to those in need. If you wish to donate make your check out to FUMC and on the memo line, write Food Pantry. You can also make a donation from our website at lompocumc.org

For he satisfies the thirsty and fills the hungry with good things. Psalm 107:9

Thank you for your support.
