

JUNE 2026 FEED THE HUNGRY Cock-A-Doodle-Do!

It was time to change the menu and offer something different. The June Feed the Hungry meal consisted of Chicken Pot Pie, along with a green salad, plus a glass of apple juice and the sandwich bag that Bob puts together each month.

The pie not only had chicken but a vegetable serving for the day which included carrots, peas, cut green beans and corn. All of that mixed with cream of chicken soup and then placed in the baking dish. On top of that was the magic, Bisquick. What a beautiful meal appeared.

We had nearly 50 individuals who showed up for a meal and had just enough for all. Some were able to have seconds on the green salad. Thanks to Myron, Donna, Kathleen, Larry, Bob and Barbara for making this meal possible.

If you pour yourself out for the hungry and satisfy the desire of the afflicted, then shall your light rise in the darkness and your gloom be as the noonday. Isaiah 58:10
