

CROATIA

Sponsorship program

DOCUMENTS + REGISTRATION

(applications from 10 candidates)

Target audience: all countries except Syria and Iraq.

Age restrictions: up to 55 years old.

The term of documents production is 7-9 weeks.

Documents required from the candidate:

- Passport scan;
- Application form;
- Resume in europass format;
- Photo (clear and high-quality photo).

The package of documents that the candidate receives from the employer:

1. Approval of the candidate from the employer
2. Work permit from the employer
3. Activation of sponsorship
4. Approval of the visa application
5. Registration of medical insurance

Process:

1 stage: The candidate sends all the necessary documents. We transfer the candidate's data for further processing.

Stage 2: When the documents are ready. The candidate receives the documents as a confirmation of the readiness of the documents.

Additional information:

A type D work visa is issued, the validity period depends on the country of application.

The employer controls the entire visa application process.

Upon arrival, the employer opens a bank account for the candidate to which he/she deposits funds that will serve as a deposit. Withdrawal of funds is possible only after the candidate has completed the contract.

*Early withdrawal is prohibited.

** Funds are deposited in case of verification from the Labor Government.

Salary will be calculated separately.

After the employer confirms the candidates, we receive a sponsorship letter in about 2 weeks.
