

DENMARK

Documents for the sponsorship program

(applications from 10 candidates)

Target audience: all countries except Syria and Iraq.

Age restrictions: up to 55 years old.

The term of documents production is 7-9 weeks.

Documents required from the candidate:

- Passport scan;
- Application form;
- Resume in europass format;
- Photo (clear and high-quality photo).

The package of documents that the candidate receives from the employer:

1. Approval of the candidate from the employer
2. Work permit from the employer
3. Activation of sponsorship
4. Approval of the visa application
5. Registration of medical insurance

Process:

1 stage: The candidate sends all the necessary documents . We transfer the candidate's data for further processing.

Stage 2: When the documents are ready, The candidate receives the documents as a confirmation of the readiness of the documents.

Additional information:

A type D work visa is issued.

The employer controls the entire visa application process.

Upon arrival, the employer opens a bank account for the candidate to which he/she deposits funds that will serve as a deposit. Withdrawal of funds is possible only after the candidate has completed the contract.

*Early withdrawal is prohibited.

** Funds are deposited in case of verification from the Labor Government.

Salary will be calculated separately.

After the employer confirms the candidates, we receive a sponsorship letter in about 2 weeks.

The employer takes out health insurance, after which we wait for confirmation from the visa agents to confirm the date of the visa.

Waiting for the visa to be issued is 30 working days.
