

Norway 6 month + TRC for 1-2 year

Target audience: all countries except terrorist countries.

Terms of documents release: 1-1.5 months.

*After the documents are issued, the registration period for obtaining the filing date is 1 month.

Documents from the candidate:

A scan of the passport.

Certificate of no criminal record (issued and certified in the candidate's country).

*Certificate from a language school - not required

Documents from the employer: power of attorney, application form, employment contract and proof of payment.

Documents are issued for 1 year.

Candidates pay the state fee for UDI on their own (the amount of the fee depends on the candidate's country).

*Candidates apply for a visa on their own

Actions of the candidates after receiving the documents:

1. When the candidate receives all the documents from the employer, he/she creates a personal account on the UDI website and registers his/her documents there step by step.
2. When everything is filled in, the candidate is transferred to the page for paying the service fee, which is approximately 6000 NOK, but may vary for some countries.

*The amount of the service fee should be checked on the website of the consulate of a particular country.
3. The candidate pays the service fee from his/her bank card through an online payment system.
4. After that, the candidate receives the final document within a day (usually in 2-3 hours): Confirmation of payment of the state fee.
5. From this moment, the verification process begins, which lasts 2-4 weeks.

If the waiting period exceeds the specified period, the employer is involved to resolve the situation.

6. After verification, the candidate receives a notification by e-mail or in the UDI personal account.
7. After receiving the notification, the candidate registers for the filing date through VFS Global, if this organization is not in the candidate's country, he/she writes a letter to the nearest Norwegian consulate to obtain the filing date. The date of submission is received within 14 working days.

!!!It is important that upon the candidate's arrival in Norway, the employer must meet him/her at the airport, the visa must be valid in order for the candidate to be admitted to the country. After that, the employer and the candidate go to the migration police where they sign an employment contract and then take out health insurance.
