### Please Help Our Community

Our troop wants to conduct an ongoing community project to raise awareness of proper flag retirement and flag replacement in our community. A popular way to retire a worn-out American Flag is by properly burning it. Page 76 of the BSA Handbook says, *“A national flag that is worn beyond repair may be burned in a fire. The ceremony should be conducted with dignity and respect and the flag burned completely to ashes.”*

This method is preferred by U.S. Flag Code and BSA Handbook. Usually the most ceremonial and solemn method. Our troop has a specific and dignified ceremony for flag burning.
