Summer begins in just a few weeks; the solstice is June 21 at 8:24 UTC (4:24 a.m EDT).

Despite our colder-than-usual Spring, summer is beginning to bring the heat we're used to.

You may have heard that the vestry voted to consider taking a hiatus from worship services during July and August, as our building has no air conditioning and our new afternoon worship time is closer to the hottest part of the day.

After talking with other members, the consensus is that we **will continue to worship all summer**, but may

sometimes cancel if the heat is oppressive, much as we do for a snow storm during the winter months. You'll be notified by text or email if that happens, so please make sure the office has your current number. Vestry meets on June 14 at noon; meetings are always open and this month Canon Melinda will attend.

The Redeemer/St. John Parish Park Fair will be held Saturday, June 13, from 10 to 3 in Howard Elmer Park. There will be all kinds of food, activities, sales, and entertainment. If you are a baker, they would love it if you'd donate a pie and deliver it to the park by 10 a.m.

The Trinity Memorial Garden is starting to move into its summer growth, although we still have to wait for the daffodil greenery to die back a bit more before more annuals can be planted. If you have suggestions or would like to help, please let Barbara know.

My Brother's keeper at Athens UMC continues to make sleeping bags year round. They are in need of handkerchiefs, long-sleeved shirts, and hotel sized personal items along with sheets and blankets. Helpers are always welcome, Tuesdays from 9 to 12.

Life is short and we do not have much time to gladden the hearts of those who journey the way with us. So be swift to love and make haste to be kind.

Henri Frederic Amiel
