

# Joost Industrial

Sales & Service - Vacuum & Compressed Air

A Republic Manufacturing Company

## YOUR SOURCE FOR VACUUM & LOW PRESSURE AIR SOLUTIONS

Since 1996 Joost Industrial is known as a reliable source for industrial vacuum pumps, blowers, air knife systems, and filtration servicing the Rocky Mountain states.

### Air Knife Equipment · In-Line Drying Systems · Centrifugal Blowers

High velocity Air Knife drying and cooling applications. Air/gas delivery up to 4000 CFM at pressures up to 110" WG. Single-Stage impeller design; the most compact & efficient blower in its class. Other systems include H.E.P.A. Filtration, Air-Wipe Collar, Helical-Drum drying systems, and custom systems.

All Air Knife systems come with performance guarantees.

### Regenerative Blowers · Vacuum Pumps · Central Systems

Ring & Side-Channel blower technology. Single, Two, and Three-Stage blowers for vacuum & pressure. Very competitive O.E.M. pricing. Air/gas delivery from 50 - 776 CFM. Pressures to 337" WG. Vacuum to 281" WG.

Authorized warranty repair center.

### Vacuum Pumps · Compressor Pumps · Central Systems

Oil-free and Oil-lubricated vacuum pumps, compressors and central systems. NFPA & CSA compliant. Rotary-Claw, Rotary-Vane, Vacuum to .5 Torr. Pressure to 21.8 PSI. Rental vacuum and compressor pumps available. Complete rebuild and trade-in service.

Authorized warranty repair center.

### Positive-Displacement · Centrifugal · Control Systems · Vacuum Pumps · Blowers

Oil-free Lobe blowers, Single and Multi-Stage Centrifugal blowers & vacuum pumps. IntelliView® Aeration & Blower control systems.

EASYAIR®X2 factory packaged systems. Vacuum to 27" HG and Pressures to 30 PSI. Complete packaged systems for vacuum & pressure. Industrial & Wastewater markets served.

Authorized warranty repair center.

### Liquid-Ring · Dry-Screw · Steam Ejectors · Vacuum Pumps & Compressors

Oil-sealed, Water-sealed, Dry-Screw, Single-Stage & Two-Stage liquid-ring vacuum pumps and compressors. Solutions for Pharmaceutical Oil & Gas, Chemical, Health care, Petro-chemical & Power Industries.

Authorized warranty repair center.

### Air · Gas · Liquid · Oil Filtration · O.E.M. Replacement Filters

A large inventory of filters for: Vacuum pumps, Blowers, Compressors, Printing Presses, Bindery & CNC Equipment. We also stock: Oil exhaust canisters, Spin-on oil filters, In-line filters & Hydraulic filters. High quality OEM replacement filters at lower prices for Busch, Elmo Rietschle, Kaeser, Atlas Copco, & Becker pumps.

**Lubricants for Compressors, Vacuum Pumps, Gear boxes, & the Food Industry**

Synthetic & Semi-Synthetic oils; Food-Grade and Kosher oils and greases; Biodegradable oils; Hydraulic & Gas compressor oils, and many more. High-temperature Food-grade greases and oils for the food and beverage industries. Replacement oils for every O.E.M compressor and vacuum pump at lower prices.

**Vacuum Pumps · Chemical Pumps · Lab Vacuum Systems**

Two-stage rotary vane, WOB-L Piston, Diaphragm, Linear, Chemical-resistant, Refrigeration, Direct-drive & Belt-drive vacuum pumps and systems. Refrigeration, Lab, Marijuana & Freeze Dryer vacuum pumps. Oil-free & Oil-lubricated vacuum for industrial and OEM applications.

**Rotary-Vane · Rotary screw · Reciprocating Compressors · Refrigerant & Desiccant Dryers**

Rotary-Vane, Reciprocating & Rotary screw compressors for maximum durability and value. Sequencers & air systems controllers designed to maximize efficiency. Compressors available from 2 to 100 horsepower. Authorized warranty repair center.

Sales & Service - Vacuum & Compressed Air  
A Republic Manufacturing Company

**Service · Repair · Installation · Warranty · Used & Refurbished Pumps · Rentals**

Authorized warranty repair & service center for all our product lines. Factory certified technicians for vacuum pumps & compressors. State-of-the-art full-service repair facility with large capacities. Routine preventative-maintenance agreements. Custom fabricated blower & vacuum packages. Used & refurbished blowers and vacuum pumps. Field service & equipment installations. Application engineering assistance. Shop-Run-Test capability to 150hp. Rental vacuum pumps & compressors available. Rush & expedited rebuild services. 24-hour service department for emergencies & after-hours service.

**Other Joost Industrial Products**

Solberg · Filters & Silencers  
Universal · Silencers & Filters  
Stoddard · Silencers & Filters  
Orion · Vacuum Pumps

H.E.P.A & U.L.P.A Filters  
Absolute Vacuum Gauges  
Relief Valves & Check Valves  
ASME Air Receiver Tanks
