

EVENTS SECURITY

We at JAR Site Solutions Ltd specialise in providing experienced and proactive staff to the Events Industry. We are dedicated to helping organisers and venues create safe event environments and give audiences positive experiences through the delivery of specialist venue and event security.

Our carefully selected and comprehensively trained Events Teams create safe & enjoyable live event environments.

As one of the largest suppliers of Security Operatives in the UK, we have years of experience and have established our position within the market place through a combination of hard work and putting our clients first. Our consultants know the Industry inside and out and can offer first-hand knowledge on work standards and invaluable assessments of staff suitability for the job.

JAR Site Solutions' experienced consultants will work closely with your management team to identify and supply Events Staff suitable to your requirements. Whether it be working at a Small Club gig, Cultural, Public or Sporting Event, we can supply experienced staff who will represent your event at the highest levels.
