

SCHOOL & COLLEGE SECURITY

We at JAR Site Solutions Ltd specialise in providing quality security solutions to Schools & Colleges across the Country.

Children across the UK are increasingly being targeted by mobile phone thieves. London is the worst affected area with over 10,000 phone being stolen every month. Two thirds of these victims are children aged between 13 and 16.

Whether deployed outside the school, at local bus stops, train stations or patrolling the local area, our carefully selected and comprehensively trained School Security Officers prove the ultimate deterrent.

As one of the largest suppliers of Security Operatives in the UK, we have years of experience and have established our position within the market place through a combination of hard work and putting our clients first. Our consultants know the Industry inside and out and can offer first-hand knowledge on work standards and invaluable assessments of candidate suitability for the job.

JAR Site Solutions' experienced consultants will work closely with your management team to identify and supply Security Guards suitable to your requirements.

Our Guards are fully conversant with the regulations in force within schools and colleges and all hold enhanced DBS Certificates as well as their security licences.

Training

Our Staff are constantly being assessed and developed. As such we have some of the best people in the industry flying our flag. As a Highfield Approved Training Centre we are also capable of delivering quality training to both our staff and our Clients; including Counter Terrorism awareness, Safeguarding of children & vulnerable adults, First Aid and many more. With our investment in personnel, we have a team dedicated to providing quality to our clients no matter where they are.

Case Study

School in SE London

Pupils were being mugged on their way home, with smart phones, tablets and even bikes being stolen. JAR were called in to provide security services patrolling outside the school and surrounding areas, inc bus stops etc. Since being deployed, there have been no recorded incidents in the area.

"JAR have proven to be very professional and flexible with providing what we need. The guards are a re-assuring presence for the pupils, parents and staff."
