NOTES	1. All dimensions are in millimetres unless specified otherwise. 2. Dimensions shall not be scaled off the drawings. 3. This drawing shall be read in conjunction with structural and other services drawings and relevant specification. 4. The contractor shall check and verify all dimensions before commencing any construction work. Any discrepancy or omission is to be immediately reported to the architect or engineer. 5. This drawing supersedes all the previous drawings. 6. The structural beam along the ramp wall flush with inner edge ramp should be clear of stairs. 7. Centrally Air Conditioned Building with Mechanical Ventilation with 24/7 tower based supply.
