- District 1 SPAAMFAA director Brian Anderson notified the membership that his two terms will be done and he hopes to run again in a couple of years. Mr. Anderson did say that there is a potential person for his replacement and talks are still ongoing.
- The National 26' convention is still a go. The Board is still figuring out details of bus trips and guest speakers. One speaker the BOD is looking to ask is Gasper automotive in CT.
- BOD looking into venders/manufactures to sponsor the event. If a company that you know can sponsor, let the BOD know.

Old Business:

- Treasurer went to Allentown PA for the annual Allentown show last month. Treasurer stated that the show was good. The club made \$250.00 from challenge coins, T-shirts, and small plaques from past musters, as well as advertised for both the 2025 Muster and 2026 National.

New Business:

- Treasurer requested a sum not to exceed \$300.00 for finishing up paperwork for taxes on the club 501C3 status and PC form filings. A second was made and passed.

Muster/Parade:

- The date for the muster will be on June 14th. Location for the venue is at 99 Concord St "All People Church" down the road from the shriners. President Boudrow explained that the shriners took another event that made more money. Since this is an ongoing issue the decision was to move it to another location. The parade route will still be the same (Jewell Drive). The new location has plenty of parking for trucks and cars along with an area to take pictures.
- If the new location is a good spot for the muster the BOD may work with the church to have the event there. There was also another option of using a fairgrounds in Lancaster for the muster.
