Newsletter:    EMAIL or MAIL                      I wish to be listed in the roster: YES or NO

The Massachusetts Antique Fire Apparatus Association (MAFAA) was founded as a local group in early 1977, as a chapter of SPAAMFAA. The purpose of the organization is to promote and preserve antique motorized fire apparatus. However, ownership of apparatus is not required, just a passion for them! A general membership meeting is normally held the first Sunday of each month throughout Eastern Massachusetts. The annual fire apparatus parade, show, and firematic flea market is held in June. A bi-monthly newsletter is published, "Box Alarm" which contains numerous articles, reports, photos and classifieds, and calendar of upcoming events.

Membership in SPAAMFAA is not required, but highly encouraged.

### The following classification of memberships are available:

**Active:** Any individual person 18 year of age or older. (\$20 per year, \$5 each additional family)

**Affiliate:** Any fire department, Museum, or Group owning vintage fire apparatus (\$50 per year)

**Life:** A one time payment available to individual members (\$300)

**Payments via check or money order (Payable to: MAFAA) can be mailed to:**

Massachusetts Antique Fire Apparatus Association P.O. Box 3235 Andover, Ma. 01810

**Online application and payments available :** [www.massmafaa.com](http://www.massmafaa.com)
