Newsletter: EMAIL or MAIL I wish to be listed in the roster: YES or NO

The Massachusetts Antique Fire Apparatus Association (MAFAA) was founded as a local group in early 1977, as a chapter of SPAAMFAA. The purpose of the organization is to promote and preserve antique motorized fire apparatus. However, ownership of apparatus is not required, just a passion for them! A general membership meeting is normally held the first Sunday of each month throughout Eastern Massachusetts. The annual fire apparatus parade, show, and firematic flea market is held in June. A bi-monthly newsletter is published, "Box Alarm" which contains numerous articles, reports, photos and classifieds, and calendar of upcoming events. Membership in SPAAMFAA is not required, but highly encouraged.

The following classification of memberships are available:

Active: Any individual person 18 year of age or older. (\$20 per year, \$5 each additional family member residing in the same household)

Affiliate: Any fire department, Museum, or Group owning vintage fire apparatus (\$50 per year)

Life: A one time payment available to individual members (\$300)

Payments via check or money order (Payable to: MAFAA) can be mailed to:

Massachusetts Antique Fire Apparatus Association
P.O. Box 3235
Andover, Ma. 01810

Online application and payments available : www.massmafaa.com
