

JAMES LANN

Texas Country Music Artist

James Lann isn't just another name in country music. He's a living testament to what's possible when raw talent meets pure grit. Raised 2 hours away from the nearest telephone, James grew up amidst the untamed beauty of Arizona and New Mexico. He says, "Picture a one-room schoolhouse, eight kids, and one out house. That was my world." While the TV stayed off, the classic country tunes stayed on. Think Conway Twitty, George Jones, and Alabama. These legends filled the air of his rustic upbringing and set him on his path. He made his big break opening for icons like Chris Ledoux and Clint Black. From there, he was unstoppable. Three chart-topping albums later, James has claimed 11 number-one spots on The Billboard Texas Regional Charts.
