Welcome to Summer on the Farm 2024

An authentic summer camp experience is only complete when the community engages in unique traditions that bring campers and staff together. This is an important part of the Langford Farms camp experience. Traditions like daily assembly, pizza Wednesday, GaGa, Color Wars and the talent show are just the beginning. We also add a host of unique, wacky and exclusive daily special events that only happen here. It's through these traditions that relationships are strengthened, campers and counselors feel an increased sense of belonging, and continuity is maintained from summer to summer. After all, what's more fun than bonding with camp friends while playing Tug-o-War in a couple hundred gallons of Jello?

ACTIVITIES AND SPECIAL EVENTS

AQUATICS

All our campers have a free swim period each day at the camp pool. We also have special aquatic events and challenges throughout the summer.

ADVENTURE

One of the most important things about camp is where it happens: Outdoors. At Langford Farms we take advantage of our green acres to play games like laser tag, capture the flag, have scavenger hunts and slip-n-slides, and allow children to try new things and have real adventures with their friends.

ATHLETICS

Skill building and fast action, balanced by good sportsmanship can all be found at Langford Farms. We play basketball, football, soccer, kickball, GaGa, Volleyball and Newcomb, field and gym hockey, wiffleball, ultimate frisbee, tchoukball, netball... lots of options for all our sports enthusiasts!

ELECTIVES

Electives, which we call Majors and Minors, take place at the same time each day for the week. Depending on your child's age he/she may have 1 or more elective periods. They are a great opportunity for campers to choose areas and activities that interest them and will change each week.

CREATIVE AND PERFORMING ARTS

Campers appreciate the opportunity to shift gears during the day and focus on a project or performance or activity. Arts, crafting, drama, dance, and music all provide a creative balance to the daily activities of camp.

SPECIAL EVENTS

Entertainment, water slides, special theme events and traditions like What, Wear, Whensday provide campers the opportunity to show their camp spirit and participate in a surprise event - but no one knows when or how it's going to drop.

Camper of the week

Senior Camp: Teen Club: Completed 6th through 8th Grades

Enjoy great activities with great friends

The goal for our middle school campers is to offer a program that adapts to meet their social and developmental needs. They will spend time each week on challenges and activities that bring them together in the spirit of competition and teamwork, leadership opportunities to gain self-confidence and independence, and down time in their own separate teen club room to chill with their friends. (Phones are permitted during certain down-times but will be kept safe when not in use. Please contact the camp office if you wish to speak with your child). In addition, campers in this group have activities and privileges all their own:

- They have time to swim in the pool, bond with their friends and counselors, and participate in special events
- Sports time on the athletic fields lets campers continue to play their favorite games and sports
- Working together as a group and leading camp service projects helps encourage campers to give back to the community
- Campers go on exciting field trips away from camp where they can challenge themselves individually and as a group

Balance Due:

The camp tuition balance can be paid in full at any time prior to the start of camp (please contact the club) or will bill each week to the payment method on file. The balance due is the tuition less the \$25 deposit paid at registration.

- In Full: Payments can be made in full, however, there is no refund if choosing this option.
- Declined Payments: If we are unable to process your payment you will be notified. Resolution of declined payments must be completed within 2 days, including any fees, in order for your child to continue participation in the program.

Tuition is based on enrollment, not attendance. You are responsible for tuition the weeks you registered your child for unless we have been given at least 2 weeks' advance notice, by email or in writing, to request a cancellation or transfer.

- **Transferring Weeks:** You may switch weeks if space is available, and the request was made at least 2 weeks in advance. Your deposit will transfer to the new week if approved.

If your child does not attend a week of camp that was reserved for you, and cancellation notice was not given, your deposit will not be refunded or transferred, and payment will still be required. There are no "make-up days" for missed days.

Absences, Late Arrivals, Early Dismissals:

Please notify the Camp office when you know that your camper is going to be absent, late (after 9:00am) or leaving early (before 4:00pm) on any given day. Many days and weeks your child will be participating on a team or in a special group event where their participation is essential. Your child's absence may leave a void for that team or activity, and it would be beneficial to camp programming to know this information in advance.

If you have any questions please contact the club at 615/754-8650

CAMP FAQ'S

Guiding Rule: Everyone has the right to be safe and have fun at camp.

Participation Standards: The LFC Summer Camp reserves the right to dismiss any camper, without refund, whom in our judgement has put his or her own safety or the safety of others at risk, has interfered with the rights of other campers or the smooth functioning of the group or program, or has violated our principles of conduct.

Extended Day Program: In order to support families' schedules, we offer extended hours in the morning, beginning at 7:00am, and in the afternoons, until 6:00pm. There is no extra charge for this service. Camp programming runs from 8:30am – 4:30pm.

What to Bring: Please provide a refillable **water bottle** every day, lunch, sunscreen, swimsuit and towel, and a bag for all their belongings. You may additionally want to bring goggles and insect repellent. An extra change of clothes, even for our older campers, is important as you never know when you're going to get messy or wet at camp! Many children have similar items so labeling everything with your child's name is recommended. If your child will be attending Early or After care, they may have a small toy with them.

What NOT to Bring: Gum, electronic devices (including cellphones), any weapons including pocket knives, any valuable items, including cash. Langford Farms is not responsible for lost, damaged or stolen items.

What to Wear: Casual clothing that can get wet and dirty, and athletic shoes, which are required for all areas except the pools. They will be unable to participate in many activities if they do not have tennis shoes for safety reasons. Younger children should have shoes they can take off and put on themselves, like those with Velcro straps. They should also have swimsuits they are able to remove easily when wet.

What are Lunch/Snack Options: Langford Farms does not provide lunch, so a sack lunch that does not need heating or refrigeration is required. We will provide an afternoon snack for all campers. Pizza Wednesday is a camp lunch option, and other lunch options are available for purchase through the Langford Farms poolside grill. More information will be provided prior to the start of camp.

Drop-off/Pick-up: Everyone drops off and picks up at the same location, using the bridge entrance to the left when entering the club parking lot. We ask that a parent or guardian, 18 years or older, accompany campers to the lobby where we sign them in by the adult's name. All names on the authorized drop-off/pick-up will be entered in our system. Please be prepared to show I.D. A late pick-up fee will be charged if a child is picked up after camp closes at 6:00pm. Rates are \$1/minute late and will be added to your account:

Where do they go while at camp: With six acres to play in, including pools, fields, and playgrounds, we emphasize getting the kids outdoors and active. However, we also have 15,000 sq. ft. of indoor space, including the gym, game room, lunchroom, workshop, and multi-purpose area

My child is not a good swimmer: Certified Lifeguards are on duty during all scheduled swim activities. Children will swim in our separate camp pool with their individual group. Parents are welcome to send a flotation device with their younger children and we will make sure they wear it. We also offer swim lessons throughout the day and your camper can be taken to lessons while at camp.

Can I be with a Friend: If you have a friend request, please let us know on your camp registration and we will do our best to honor your request. Both children must request each other. If they are more than 1 grade apart it is likely we will not be able to accommodate your request. We are not able to accommodate large groups of friends. Please limit the friend request to 1.

Can my child bring a cellphone to Camp: Cellphones are on the "what not to bring" list. Please do not send phones or other expensive items to camp. If your child needs to contact you, they may use the camp phone. You may call the club if you need to speak with your child and we will locate them for you. Cellphones will be held in the office for safekeeping and will be returned at the end of the day. **Note:** *Teen Club campers may bring a cellphone for use during specified time periods.*

Swim and Tennis Lessons: Swim and tennis lessons through the club are available to children while at camp. There is a separate charge for these club programs. Camp will be responsible for getting them to and from these activities. More information on lessons will be updated on our website as it becomes available.

Cleaning and Safety:

Cleanliness and safety are a high priority at Langford Farms. In addition to daily cleaning and sanitizing, and a deep cleaning weekly, we have multiple wash and sanitizing stations throughout the property for the camper's use. Our camper to staff ratio gives us the best opportunity to make sure we have eyes on kids. Our emphasis on healthy outdoor activities keeps campers physically active and outdoors in the fresh air.

Parent Information: Final information for summer 2024 will be forwarded to all enrolled families, via email, prior to the start of camp.
