**Schools Served:** We pick up daily from the following area schools:

Andrew Jackson Elementary    Lakeview Elementary    Mt. Juliet Elementary    W.A. Wright Elementary

**Tuition and Payment:** Weekly fees are due in advance on Monday of the current week. Payments will automatically bill the Monday of each week. All accounts must have payment information on file. A late fee of \$10 will be assessed on Friday for any past due account. All accounts must be current within 2 weeks, including any late fees and fees associated with attempts to collect payment, or your child will be suspended from the program until full payment has been made.

**Attendance:** Tuition is based on enrollment not attendance. Tuition is charged for every day/week that school is in session. A separate camp is offered during the fall, winter, and spring breaks and you are only charged if you sign up to attend. Unexpected school closures, including weather or sickness closures, will not be discounted or refunded and payment is due in full for the week (exceptions may occur).

**Additional Charges:** Camp days are available for most school closures including scheduled breaks, holidays, stockpile days, etc., however you must sign up in advance to attend. Families must not have an outstanding balance to be able to attend school out days.

- Additional non-school day during the week            \$20/day
- All day camp    \$40/day
- All week camp     \$160/week
- Drop-in rate     \$50/day
- Non-Notification Fee: There is a \$5/occurrence fee if we are not notified your child will be absent from the program. Non-notification results in schools having to verify a child's status which can hold up buses and all other vehicles while we wait.

## Program Safety Protocols:

Our cleaning standards have always been high. All areas are cleaned daily with extra frequency for high-touch surfaces. We have multiple areas for hand washing and additional sanitizing stations throughout the area. We work with children to stress the importance of covering coughs and sneezes when they occur. We always emphasize outdoor activities to get fresh air and exercise, and all programming is done under the watchful eye of our experienced staff.
