

**Lillian (Smith) DeBenedictis
& Angelo DeBenedictis
Howe High/BMHS
Alumni Association Hall of Fame
Class of 2026**

For more than 20 years, Lillian (Smith) and Angelo DeBenedictis, both Class of 1957 graduates, have dedicated themselves to the Howe High/Billerica Memorial High School Alumni Association through their faithful service on the Board of Directors. Their unwavering commitment, leadership, and countless hours of volunteer service have helped preserve the traditions, values, and mission of the Alumni Association while ensuring its continued success for future generations.

Throughout the years, they have worked tirelessly behind the scenes, giving generously of their time, energy, and talents. Their dedication has extended far beyond board service, as both have played an active role in supporting alumni initiatives and strengthening the bond between our schools, graduates, and community.

Lillian and Angelo have also made a lasting impact through their involvement with scholarship efforts, serving on committees and helping to raise funds for the Mary Jo O'Mahoney Colburn Memorial Scholarship. Through their commitment and generosity, they have helped provide meaningful opportunities for deserving students and have more than continued the tradition of giving back.

Together, Lillian and Angelo DeBenedictis exemplify the very spirit of service, loyalty, and pride that the Howe High/BMHS Alumni Association Life Members Hall of Fame was created to honor. Their years of selfless dedication have left a lasting legacy within the Alumni Association and throughout the Billerica community.

It is with deep gratitude and admiration that we celebrate Lillian and Angelo DeBenedictis as members of the Howe Alumni Association Hall of Fame branch of the Town of Billerica Community Hall of Fame and thank them for their extraordinary contributions.
