

**DOUGLAS DOOLEY
HOWE HIGH/BMHS ALUMNI ASSOCIATION
HALL OF FAME
INAUGURAL CLASS OF 2022**

A 1961 graduate of BMHS and a continued supporter of the Alumni Association, Doug Dooley and his wife, Gayle (McGurn, Class of 1962), have donated toward several annual scholarship awards for graduating seniors for many years. His continued support of the Alumni Association has been unsurmountable, and we are proud to have him recognized for his contributions.

Doug grew up in the Nutting Lake area of meager means. He began working at the age of 12 at Pasho Farm. An outstanding athlete, Doug excelled as a three-sport star in football, basketball, and track.

Through his intense work ethic, Doug established himself as a well-respected businessman in Dracut. As a general contractor, he has built close to 1,000 homes and more than 100 townhouses.

Doug and Gayle raised two daughters, Robin and Leslie, and enjoy their seven grandchildren. Doug is also an accomplished licensed pilot and owns his own airplane.
