

Water Walking

(John Ortberg)

If you want to walk on water, you've got to get out of the boat

Water walking

Experience the power of God in your life

Do something you cannot do on your own.

Decide every day to trust God rather than yourself

Don't be a slave to what others think

Wait patiently

Waiting is what the humble do with grace

Pray, Prayer allows you to wait without worry

Know that you serve an almighty God

When you make Him small

You offer prayer without faith

Work without passion

Service without Joy

Be careful about what you feed your mind

God does not call the qualified

He qualifies the called

It takes the eyes of faith to recognize when Jesus is around

Focus on Christ during a storm not the waves

Say yes to your calling and say I will trust in the Lord

Obey, Obedience is faith in action

Discern when there is a call from God rather than a foolish impulse

Holy Spirit will show you the way

If you want to walk on the water you must get out of the boat

Your boat represents safety and security

Your boat pulls you away from extreme discipleship

Your boat is what produces the most fear when you think of leaving it behind

Walk, Step out on faith

Forget about being comfortable, you may not even like your calling

God is interested in your holiness more than he is your comfort

Don't be afraid, Fear does not have the power to destroy you

You will fail sometimes

Peter saw the wind, the other disciples stayed in the boat. Who failed?

Failure is not an event but rather a judgment about an event

It does not shape you, the way you respond does

To grow is to be given problems not answers

Ignoring your calling is robbing God,

Remember the parable of the talents?

Learn to wait on the Lord to receive the power to walk on the water

Jesus is still looking for people who will get out of the boat.

When He calls, will you answer?
