

## WHAT IS FOSTORIA DOING TO HELP?

The health and safety of our City is #1 priority. By placing these resources in Fostoria we hope to increase the amount of recycling and cut back on the amount of waste in our environment.

When using the recyclable bins in Fostoria, do not throw bags of items in the bins. Instead, dump your items into the bins and reuse your bags.

STYROFOAM IS NOT RECYCLABLE

Be sure to break down and flatten boxes to preserve space within the bins.

## FRIENDLY REMINDER

Fostoria Codified Ordinances Chapter 521, Section 521.08 addresses garbage. Placing garbage in the recycling bins is a third-degree misdemeanor punishable by up to 60 days in jail, a fine of \$500 or both. It is up to the citizens of Fostoria to self-police the recycling bins.

**LET'S ALL WORK FOR A CLEAN FOSTORIA!**

Fostoria will soon receive recycling bins from the OSS solid waste district at no cost to the City; however, to insure that we keep the recycling bins, we need to keep non-recyclable items out of them. RECYCLE FOSTORIA will be an advertising campaign to educate the people of Fostoria on what can and cannot be recycled and where to recycle items.
