

# Forever Aloe Berry Nectar®

## A burst of cranberries and sweet apples

- 90.7% pure inner leaf aloe vera gel
- No added preservatives
- Supports healthy digestion
- Promotes a healthy immune system
- Cranberries support urinary health
- Helps maintain natural energy levels

The refreshing zing of cranberries is paired with the sweet notes of apples to turn our revered aloe vera gel into a bright drink that not only aids in digestion but is packed with phytonutrients and vitamins.

When we say Forever Aloe Berry Nectar® contains our aloe vera, we don't mess around. This drink contains 90.7% stabilized, inner leaf aloe vera gel paired with natural fruit juice concentrates for sustaining your immune system and maintaining natural energy levels.

Aloe vera has natural cleansing abilities that help the digestive tract absorb nutrients from the foods we eat into the blood stream, while promoting friendly bacteria growth. The unique polysaccharide, acemannan, and other nutrients in aloe help to support the immune system.

A burst of cranberries and sweet apples provide a naturally derived, tangy flavor. Superfood cranberry packs antioxidant power shown to be 20 times higher than that of vitamin C and has proanthocyanidins that provide urinary health support in addition to vitamin C. Apple's special phytonutrient, quercetin, is another powerful antioxidant that helps to make Forever Aloe Berry Nectar® a healthy and delicious drink.

Forever Aloe Berry Nectar® is aseptically processed allowing the formula to remain free of added preservatives and packaged in Tetra Pak packaging made with 100% recyclable materials to ensure that you are able to enjoy the fresh taste of undiluted aloe vera gel with all of the potent properties of aloe just as nature intended.

### CONTAINS 100% JUICE
