

Aloe Heat Lotion

Aloe Heat Lotion harnesses the power of heating and cooling effects for the refresh your body's been waiting for.

Ultra-rich, emollient and non-greasy, this creamy lotion is ideal for a deep and relaxing massage. When applied it goes on cool, with the invigorating sensation of menthol and aloe to soothe muscles on contact. It then gently warms, with ingredients like eucalyptus to relax the muscles while creating a naturally aromatic experience.

Not only will you feel more relaxed, but your skin will be left feeling soft and smooth. Whether you're looking to rub away every day stresses and strains or athletic aches, look no further than the quick rejuvenating power of Aloe Heat Lotion.
