

PREVENT DRUG ABUSE AT HOME

- Accurate and specific results
- CLIA Accredited Medical Lab
- PRIVATE & CONFIDENTIAL
- Cheat/Tamper Proof
- Shipping & Lab fees included
- Fast and Secure online results

The Known at Home Hair Test is one of the most effective and anonymous ways to test for drug abuse.

Parents can establish a drug-free home standard with their children, and working professionals can test themselves to ensure there are no surprises when asked to drug test for employment or random draws.

Your paragraph text

The Known at Home Hair Test is a tool for a drug free and safer home and workplace.

SELECTED
