

# Design Request Form

This is an interactive PDF form / type in the shaded area / check mark beside your request(s) / print and save as a project name PDF

PROJECT NAME:

COMPANY:

CONTACT:

TEL:

EMAIL:

Please check appropriate box      **BOM**      **SIZING**      **QUOTE**      **REVISION**      **CAD & BOM**

## 1 Provide a sketch of your system

Plan View      Elevation View

Include Centerline dimensions and Special instructions / obstacles

ALL dimensional information to be shown on sketch

Show information on separate sketch if required

Wherever possible please provide C/L to C/L dimensions

## 2 What is the application?

Boiler  
Water Heater  
Air Handler Unit  
Dryer vent  
Other:

## 6 Barometric Damper Required

YES      NO

## 7 Is the application

Positive Pressure      Draft

## 3 Fuel Type

Natural Gas      Oil #2  
LP Gas      Digester

## 8 Appliance Outlet and Location

Collar      Back  
Flanged      Top  
Other      Other

## 4 Required Appliance Information

BTU Input  
Boiler HP  
Appliance Make  
Model #  
Web Site

## 9 Multiple appliances

Be sure to provide C/L to C/L dimensions between boiler outlets.

## 5 APPLIANCE VENT SIZING **APPLIANCE INFORMATION AND INTENDED FLUE LAYOUT REQUIRED**

Altitude:      (ft)

Exhaust % CO<sub>2</sub>:

Allowable Pressure:      (in w.c.)

## 10 Select Positive Pressure Chimney MODEL

Flue AL29-4C

Casing 441 ss

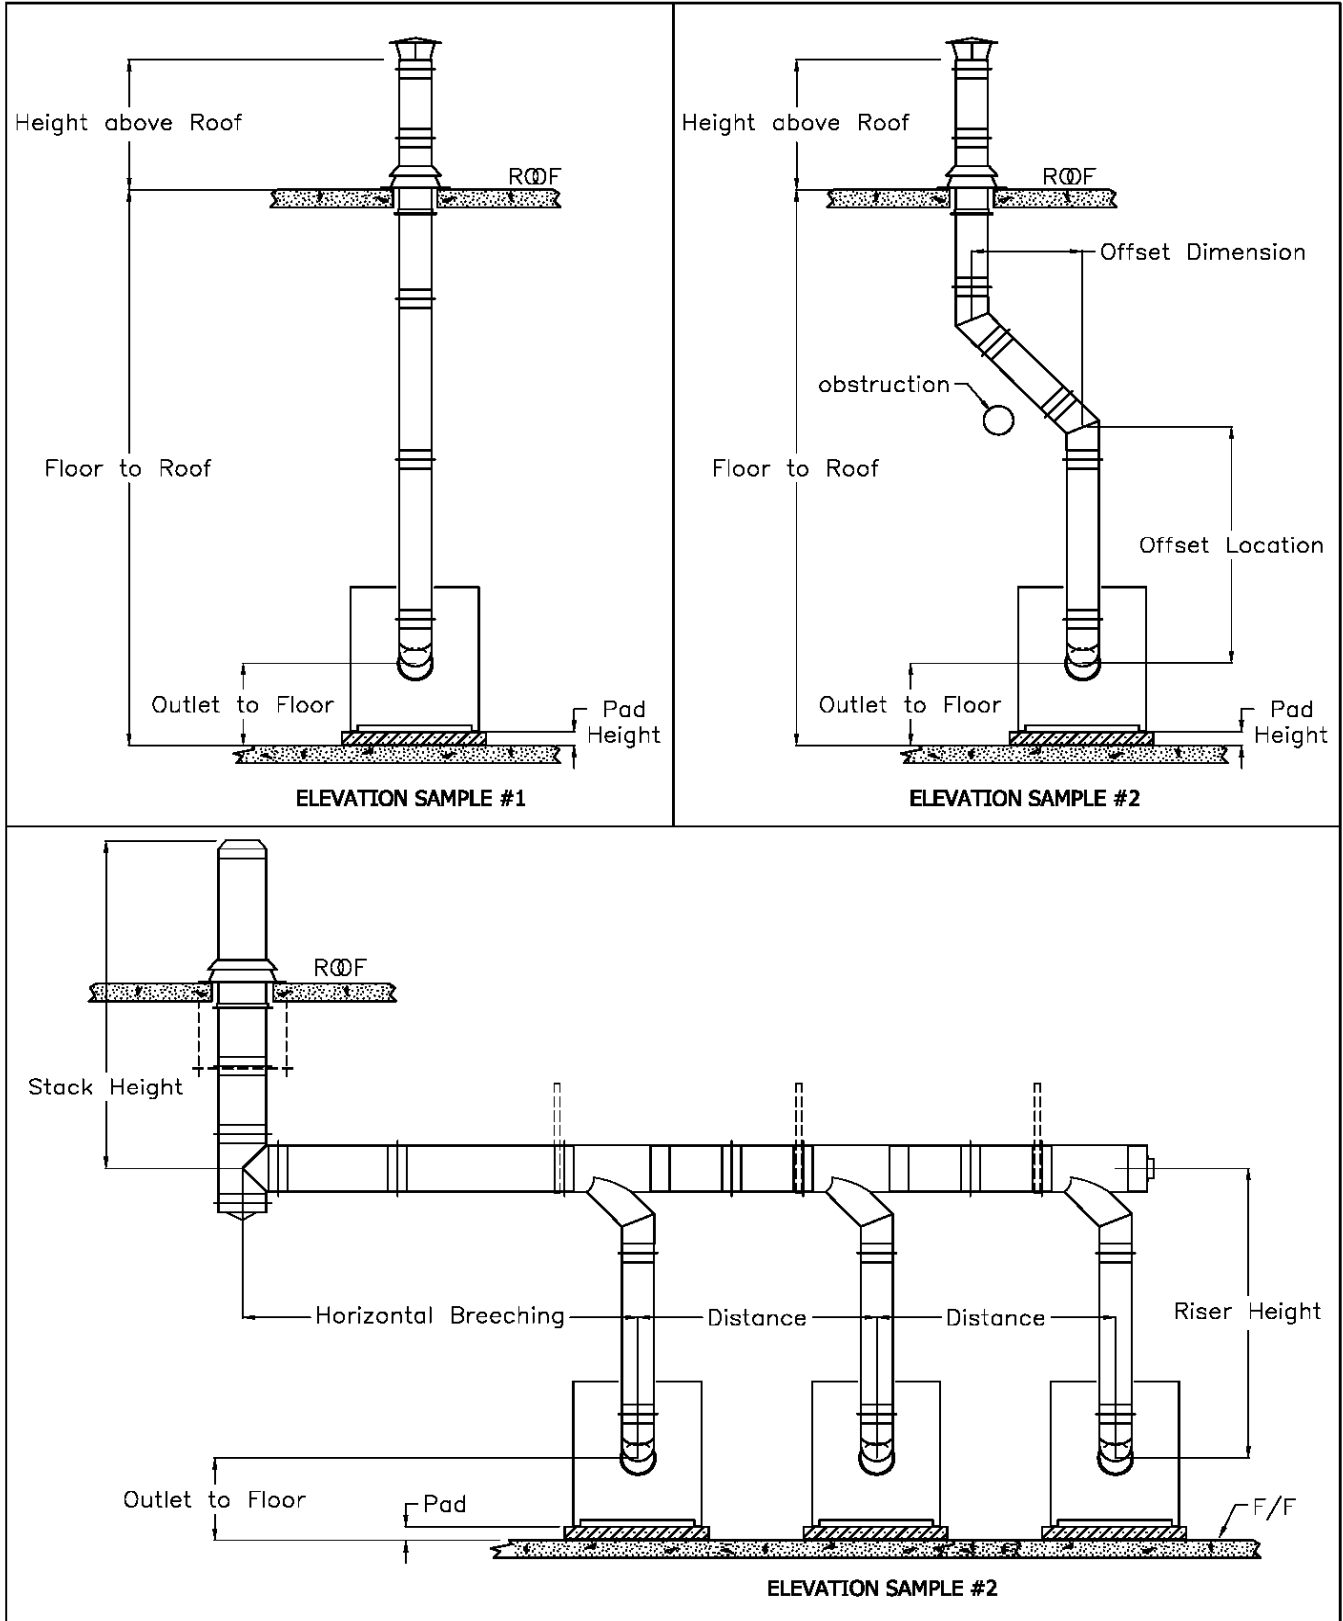

DuraSeal	DS	single wall 3" to 24"
DuraSeal	DSD	double wall 3" to 24"
DuraSeal	DSID	double wall 2" insulated - 3" to 24"
DuraSeal	DSLS	single wall 26" to 36"
DuraSeal	DSL D	double wall 26" to 36"
