DINNERS, SHOWS and FUN!

Come to Branson August 26-29, 2015

EXCITEMENT IS BUILDING!

The Ramada on the Strip is our reunion hotel and is next door to the Dick Clark's American Bandstand / Legends in Concert showroom. There is plenty of parking around the hotel rooms we will be using and the hotel has a shuttle that can take us to the breakfast restaurant and the scheduled shows.

Breakfast buffet is served every morning at the American Bandstand restaurant from 6:30-10:00. After breakfast one morning, we will go to the Bretts show in the same building (see page 8). This is an excellent show, lots of singing and tribute to the military. The Bretts are a musical family, mom

BRANSON IS THE PLACE!

Our reunion is from Wednesday, August 26 through Friday, August 28, 2015. Lots of free time but there are three shows on the schedule: two dinner shows and one morning show, all not to be missed. But arrive on Tuesday and take part in the wine and cheese reception in our Hospitality Room, a separate building near our hotel rooms.

But there are so many shows that are not on our schedule that you might want to arrive a few days early or stay a few days longer to see your favorite! The hotel will honor our preferred rate for those extra days, so make those plans. Call

and dad, two sons and sometimes their daughter who used to appear with the family but now lives in another town and is raising her family. But the family has a great show that you don't want to miss.

The night before we go to the Bretts we go to the Legends in Concert show (also on page 8). This is a fun show of artists that transform themselves into the stars they portray, using their own natural voice to recreate the legend. Don't miss this show as it is a fast-paced song and dance event!

Another night, we will attend the Dixie Stampede for the pre-show and show (see pages 6 & 7). The pre-show is a fun show outside the dinner and show arena that you don't want to miss. Then, we will all go to the dinner show and root for the Yankees or Southerners! This is another don't miss show!

See you in Branson! - Scott

The Story of **The Dixie Belle**

Once upon a time, as legend has it, a Massachusetts native named Sam Mott moved to Missouri where he made his fortune building fine carriages. In 1873, he sent out a challenge to carriage makers throughout the North and South to compete in a race to prove their skill, the quality of their carriage and the speed of their steeds. The event grew larger and larger each year and became known as the Great Mott's Challenge.

The Mott's team won every year, but 1879 would be different. Among that year's entries was a thin wisp of a boy named Lee Parton driving a homely but rugged carriage from East Tennessee. Everyone present was completely astounded when this unlikely team won by 1.5 miles and further amazed when, at the awards ceremony, Lee Parton was revealed to be a beautiful young lady, Miss Dixie Lee Parton. Sam Mott was enchanted with this daring woman; they fell in love and were married that same year.

Sam Mott renamed the race "The Dixie Stampede" in honor of his new bride, and built her a special carriage known as the Dixie Flyer. Dixie Lee used this carriage to again emerge victorious in the 1880 running of the event.

Together, the two converted their carriage factory into one of the nation's finest competition arenas and expanded the Dixie Stampede to include the ever-popular team competitions between Northerners and Southerners. Passed down through generations, the current proprietor of the Dixie Stampede is none other than Dolly Parton. The show takes great pride in welcoming all to one of the nation's greatest events where each night Northerners compete head to head with Southerners to see just who is best once and for all!

THE BRETTS

TM

The Bretts is a wonderful family entertainment show. Mother, father, two sons and the daughter as her family time permits, usually for the Christmas shows. The Legends in Concert entertainers use their own voices and are similar in appearance to the stars they impersonate. These stars rotate between Branson, Las Vegas, Atlantic City, and cruise ships so the stars that will be in Branson for our show will not be known until just prior to the show, but I am sure we will have Elvis, Johnny Cash and the Blues Brothers plus many others.

The Ramada on the Strip is located in the middle of this map at 8.5. The Dick Clark Theater & Grill is just to the right at 9 and the Dixie Stampede Attraction is across the street.

Notes from our members:

From **Frank Jacus**: Hi! Enclosed is a check for my dues and for two US flags [thanks!]..... from **Fred Simon**: Please accept my check for dues along with an order for two USA flags, one 3X5 and one 4X6 [thanks!]..... from **Gary Talbert**: [enclosed a check for dues and requested a roster. Also sent some pictures of some of his old cars, all Studebakers and all classy!] Always a Seabee! [thanks, **Gary**]..... from **Pauline Hagemann**: So good to hear that all had such a great time in DC. **Vern** and I went with our Church, First Baptist, and had a wonderful guide. He told us stories that made us wonder how our country ever got to this point. I was looking through the Newsletter and was reading all the letter and not too many men who I recognized their names anymore. I think you are right that MCB 2's men have gone to a better place and it is good to see their better halves are doing what we did so many years when our men were gone, holding the fort. We have been doing that as long as there is a war and, thank God, that the Seabees have always had the ability to do the "Seabee Can Do". I have put the license bracket holder with that motto with my TEXAS license plate. **Vern** and I are doing well, keeping busy and traveling. I am enclosing my check for dues [thank you!]. Thank you all for the great work you do to keep us all together and the Commander and Staff I say, "Well Done!" Thanks again..... from **Bob Marshall**: [enclosed a check for dues and thanks!] Sorry I am late! I've been away for some time. Thank you..... received dues plus from **Norman Eveleth** [thanks]..... from **Warren (Barbara) Culberson**: Good to talk to you, **Scott**. Enclosed are dues for **Warren** [thanks]. Hope our plans materialize for the reunion in Branson. [and thanks for the email address]..... from **Ken Stancombe**: Sorry I forgot to send my dues earlier [OK and thanks]. Maybe this will catch me up and with a little extra..... from **Tony DeLeon**: That was fast! [I sent **Tony** some stickers and a cou-

ple license plate frames for his new car]. Did you find out anything about the hats I sent pictures of? [yes, I didn't on that cap but on others similar I did. I can get them and probably will before our Branson reunion.] Enclosed is my check for the package and extra for dues [thanks!]..... from **Bill Sharp** aka **Willie Snow Job**: Sorry to be off the Good Guy List. Enclosed is my check for dues and the rest as late charge and donation for any needs [thank you!]. I also attached some photos [see pages 11 & 12] and a congressional speech [see page 10] for your file and perhaps use. I was BU2 with MCB 2 from 1951-1955 in tent 46. I did Camp Pendleton, Grande Island and Sangley Point. I was on Guam for a few days as expediter of supplies. **Jim Bolton** and I were on security and armory duty on Grande Island in Subic Bay. Hope to see you in Branson..... from **Fred Simon**: Please accept this check for dues along with an order for two US flags, one 3X5 and one 4X6 [on the way and thanks!]..... from **Vin & Kaye Ryan**: **Vin** and I are doing well! Looking forward to next year! "Here we go Musaide."..... from **Bill Wilcoxon**: Sorry I'm so late with my dues. Please sign me back up and send me a roster and I promise to be on time next year. Use the rest for postage or whatever [thank you!]..... from **Ralph Burnley**: Thanks for your good work. I would like a copy of the Battalion photo that was taken at Camp Pendleton in the spring of 1952, a few weeks before we shipped out for Subic Bay. If anyone could make me a copy, I will be glad to pay for all costs [anybody have a copy of this? Let me know!] Enclosed is my check for dues and a roster [thanks]..... That's about all the letters and notes I have received for this issue. I hope all are making plans to come to Branson and have a good time! Some have asked if their friends or family can also come and sure! Please invite those that would enjoy sharing you with all that will attend as we can use the added numbers. Be sure to let me know your preference for our banquet dinner, whether plated or buffet. And come early and stay late to see some additional shows. The Bretts Family show is outstanding and it is a morning show right after we enjoy a good breakfast. We can go to the showroom right from the restaurant, so don't miss it! The Dixie Stampede and the Legends in Concert are also both good shows with dinners that we will enjoy as a group. See you there and be sure to see some of the other shows in Branson! Scott

Extensions of Remarks - September 12, 1995

IN RECOGNITION OF MOBILE
CONSTRUCTION BATTALION 2

HON. JAMES V. HANSEN

OF UTAH

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 12, 1995

Mr. HANSEN. Mr. Speaker, and colleagues, I rise today to pay tribute to a group of America's unsung heroes—the U.S. Navy Seabees. In particular, I want to tell you the story of one such group of these heroes and the tremendous service they provided our Nation over 40 years ago.

The story of USN Mobile Construction Battalion 2, stationed at Port Hueneme and Cubi Point, began in the spring of 1952. Commanding officer Comdr. Charles C. Compton, and the 12 officers and 464 men of MCB 2, sailed for the Philippines aboard the U.S.S. *Menard* [APA—201] on June 9. The job of the Battalion, and their colleagues of MCB's 3 and 5, was to carve a new naval air facility out of the hilly peninsula, called Cubi Point, adjacent to the Subic Bay Naval Station.

Over the next years, the men of MCB 2, clad in traditional Seabee greens or rubberized suits to fend off the relentless summer rains, constructed one of our Nation's most important strategic airfields. The battalion completed several enormous projects including the removal of the top 90 feet of Mount Maritan, a rock mountain which blocked the approach to the future airfield. Major construction projects, including a large and remote ammunition storage facility, a tank farm built on top of a swamp, a new water system, and the Camayan Point—Cubi Point road, tested the skills, dedication, and versatility of the Seabees. In all, millions of cubic yards of earth were moved, reservoirs providing over 2.5 million gallons of water were built, and a new naval air facility was born.

The facilities these unsung heroes built would serve our Nation and her allies well for the next 40 years. The story of MCB 2 and Cubi Point is repeated each year by Seabee units around the world. Never knowing what they would be doing next, the men of Mobile Construction Battalion 2 remained confident in their ability to go anywhere at any time and build anything asked of them, for they were the Navy's "Fighting Seabees."

All.... The following is from Jim & Gladys' daughter-in-law, Donna Wommack. Jim was MCB 2 and died July 19, 2010.

July 18, 2014:

Gladys' legs and feet began swelling and, when she went to the doctor, they discovered that her kidney functions didn't look good. We have run the gamut of possible diagnoses from congestive heart failure to autoimmune disorders. None of those were valid, thank goodness. Gladys has a blockage between the kidneys and bladder, so they are working to clear the blockage, determine the cause, and get all the excess fluids off Gladys's kidneys. They put drains (catheters called nephrostomy tubes) into each kidney and there was 13 liters of fluid taken off overnight. We meet with a urologist today (Wednesday, July 16) to see about getting the blockage taken care of. Her kidneys are healthy, just struggling, so we hope they can resolve the problems soon. The thought of having to do dialysis was almost more than Gladys could bear. As with most medical mysteries, though, there seems to be one step forward and two steps back and time moves slowly. Otherwise Gladys has been doing ok.

For those that would like to send Gladys a card, her address is

Gladys Wommack

Thursday, July 24: (from Donna)

We are still in Coeur d'Alene. Gladys had a bit of a setback on Tuesday. White blood cell count was up and they believe she had an infection. She was in a lot of pain on her right side and her kidney functions were beginning to decline. She has been on antibiotics and looks a lot better today. The kidney function is improving again. We are waiting of the doctor to come in - I am hoping to see if there are any other options besides the "wait and see" approach that they have been doing. We are on day 13 up here, we need to be on our way out soon! Today Gladys looks good, has an appetite back, and seems to be in good spirits. Thank you for your continued support - she appreciates it very much!

From Senior Chief John Wilborn:

Navy Seabee Chief.... The most important one.

Five cannibals were employed by the Navy Seabees as translators during one of the island campaigns of World War II. When the Commanding Admiral of the Seabees welcomed the cannibals he said, "You're all part of our team now. We will compensate you well for your services, and you can eat any of the rations that the Seabees are eating. So please do not indulge yourselves by eating our Seabees." The cannibals promised.

Four weeks later, the Admiral returned and said, "You're all working hard, and I'm very satisfied with every one of you. However, one of our Seabee Chief Petty Officers has disappeared. Do any of you know what happened to him?" The cannibals all shook their heads.

After the Admiral left, the leader of the cannibals turned to the others and said, "Which of you idiots ate the Chief?"

A hand raised hesitantly, to which the leader of the cannibals replied, "You idiot! For four weeks we've been eating Ensigns, Lieutenants, Lieutenant Commanders, Commanders, and even one Captain, and no one noticed a thing. And then YOU had to go and eat the Seabee Chief!"

Thanks to John Ratomski, Vietnam Seabee, for this, from the Museum Facebook page:
