I have to go
again
what do I eat?
I leave it to smelling and inhaling
I prepare myself to look at corpse, again
spread across a block of ice, again
I witness cold bodies
marinated bodies
bodies that were constantly held and kept
held and kept
held and kept
held and kept
The sound - vibrant and chaotic
a sound vibrating from a block of ice
I see a woman, asking to stop the ropes,
gently, perhaps to only imitate with her,
I see.
I digest
I cannot
not unable to consume
hike for lunch
and lemon sesame cake
my mother was performing
I am nervous
with my eyes
how do I converse and negotiate her abyss eyes?
I feel full
with half and conversations and her without its water
